RE: Safety Initiative - Voluntary Cooperation to Observe the Four Seasons 15 MPH Speed Limit

Dear Service Partner,

The Board of Directors and many homeowners in Four Seasons have expressed concerns about the lack of compliance with our posted speed limit.

At our annual meeting in November of 2014 a constructive discussion of possible ways to increase compliance with the 15 MPH speed limit in our community was held. Based on that discussion eleven specific measures were identified and reviewed by the Board at our December 2014 meeting.

Every member of the Board and our homeowners are in full support of our efforts to reduce speeding in Four Seasons to ensure the safety of all homeowners, guests, vendors and service providers.

The Board has decided to implement measures that encourage voluntary compliance including: lighted speed signs, a handout in rental packages, handout at the gate, notices to be posted in each home and a post on our website.

If these measures do not provide increased compliance with our speed limit the Board will consider more stringent measures.

The Board of Directors of Four Seasons is asking for your voluntary commitment to have you and all of your employees observe the 15 MPH speed limit in Four Seasons.

Most if not all of the vendors and service providers that work in Four Seasons are small businesses that could not survive the financial and emotional impact of a serious accident involving one of your employees or yourself.

To indicate your voluntary cooperation please sign and return a copy of this letter indicating that you will instruct all of your employees to comply with our posted speed limit prior to the start of the 2015 rental season.

We sincerely appreciate your support of this measure. If you have questions about our request please contact Seaside Management.

Sincerely,
Michael Jeffries
President – Four Seasons
